Every arrangement is being made for the opening of the Inter-state base ball season in this city on Saturday. The park is in excellent condition, and without rain the attendance ought to be a record breaker, as the ante-senson in-terest in Wheeling this spring far exceeds anything in evidence in any former year. In the opening game with New Castle it is likely that the opposing pitchers will be Poole and Wadsworth. Last season Wadsworth pitched the opening game in Wheeling and won out for his team. He won't find it so easy to ropeat the trick this time, for the 1900 Wheeling team is immeasurably the superior of the '99 aggregation in every department of the game.

Pitcher Pardee was on the field with the other players yesterday afternoon, and he showed great form. His speed is terrific and his curves O. K. Pardee says he is in the best of condition, and is confident that he will go the Interpace without the turning of s

With Pardee, Poole, Stricklett and Skopec to open up the senson with the Wheelings are very strong in pitchers, and with Bales and Bowman to draw upon if essary the outlook is indeed promising from the twirling point of view.

The Wheelings will engage in only work this afternoon. Manager Lytle will not take any chances on injuring his players. He desires above all class to start off the season with a New Castle uniform.

News Notes from the Busy Marshall County Town.

County Town.

The citizens of the First ward stand a good show of having granted their request for the opening of the Tappe property for street and alley purposes. A committee of council will investigate the matter and it is thought favorable action will be taken. The First warders have not fared as weil as the other sections of town in municipal improvements for some years, and they would not have been averse to the appropriation of \$5,000 for the paving of McMechen street, it something were done for their end of town. If it is seen that the Riverside will not secure Tappe's ground, council will doubless open it through. The First ward is entitled to a full consideration of its request.

The boys of the Central Benwood school have organized a base ball team and have been practicing for some time. They expect to arrange a series of games with the team in McMechen school. The following is a line-up of the team: Albert Noite, catcher; Earl Peabody, pitcher; Wille Duggan, first base: George Bissett, second base; Robert Edwards, third base; willie Leach, short stop; Ellery Brown, right field: Russell McCreary, center field; Bennie Huggins, left field: Willie Bryant, Willie Gebert, substitutes.
